

PHARMA GRADE

The team of experts behind RDA India thinks globally, acts locally, advises individually, and yet has an eye on general social and market-typical sensitivities.

RDA BULK PACKAGING INDIA PVT. LTD. OFFERS A WIDE RANGE OF FIBCS (FLEXIBLE INTERMEDIATE BULK CONTAINERS), ALSO KNOWN AS BULK BAGS. THE COMPANY IS A SISTER COMPANY OF RDA BULK PACKAGING LTD., WHICH HAS THE IDEA OF SUPPLYING HIGH-QUALITY BULK PACKAGING MATERIAL AND HAS SUCCESSFULLY BEEN CATERING TO CUSTOMER'S NEEDS FOR THE LAST 25 YEARS. WE NOW BRING THIS WEALTH OF EXPERIENCE AND EXPERTISE WORLDWIDE, DELIVERING PREMIUM QUALITY AND SERVICE DIRECTLY TO LARGE-VOLUME BUYERS ACROSS THE GLOBE. WE ARE EXPERTS IN OPTIMISING COMPANIES' FILLING, TRANSPORT, AND STORAGE CONDITIONS, OFFERING ECONOMICALLY PROFITABLE AND ENVIRONMENTALLY FRIENDLY SOLUTIONS. IN ADDITION TO FIBCS, WE OFFER A VARIETY OF OTHER PRODUCTS, INCLUDING WOVEN POLYPROPYLENE SACKS, SANDBAGS, GARDEN WASTE COLLECTION BAGS, POLYTHENE BAGS, LINERS, AND MORE. WE CAN ALSO MANUFACTURE PRODUCTS TO MEET SPECIFIC CUSTOMER REQUIREMENTS ON A CONTRACTUAL BASIS. THEY ARE WELL-EQUIPPED TO CATER TO ALL INDUSTRIES WITH THEIR DIVERSE RANGE OF BAGS, ENSURING THAT ALL NEEDS ARE MET.

INNOVATION BEHIND OUR PRODUCT

GLUED LINER

The inner liner is glued to the outer bag with FDA-approved glue.

3X SIFT PROOFING

This is a unique bag which is used for excellent Powder material to avoid product leaking by having 3 times stronger sift-proof seams

IRISH SPOUT

This is a discharge spout in the shape of Payjama to give additional support to the discharge spout discharge.

OXYGEN BARRIER LINER

The inner liner prevents the movement of oxygen and acts as an oxygen barrier, enhancing product shelf life.

FORM FIT LINER

The inner liner is bottle-shaped from the top and bottom and is attached by sewing on the top and bottom attachment.

Product Range

Fill Top & Discharge Spout

- 500- 1500 kg capacity.
- Safety Factor: 5:1 SF Single-Trip.
- Loops: 4 x 30 cm Loops (Side Seam).
- Fill Top (with ties) & Discharge Spout (with ties).
- Printed: Printed & Unprinted Option.

RDA India offers products that meet modern customer requirements, the highest market requirements, and the collective demand for a sustainable recycling cycle. The service provider works exclusively with certified and tested products, ensuring customers can always rely on compliance with valid quality standards. All of the manufacturer's packaging materials are manufactured using the latest technical developments, providing a reliable solution for your packaging needs. In addition, customers have the option of customizing all bulk bags according to their personal preferences.

RDA India can supply bulk bags manufactured...

From active pharmaceutical ingredients (APIs) to excipients, bulk bags are vital in the pharmaceutical industry. These bags come with various filling, top closure, and discharge options, ensuring the secure handling and transportation of sensitive materials. Bags are designed to maintain cleanliness and protect contents from contamination, helping uphold stringent safety and quality standards for pharmaceutical products.

RDA India offers several off-the-shelf stock options for immediate delivery.

WHAT'S NEW WITH OUR PRODUCT?

- The uncoated fabric ranges from 110 to 245 gsm (grams per square meter).
- The bags can be printed on up to 4 sides using three colours.
- They are available in coloured fabric.
- They can be designed with a U+2 or circular design.
- The bags can have either a single or two-loop lift.
- Different top attachments, such as skirts or fill tops, are available.
- Various attachments, like a discharge spout, can also be included.
- Our bags are not just versatile but also eco-friendly. They are tax-compliant and contain 40% recycled content by weight.

WHAT RDA CAN DO FOR YOU...

- We always provide fully certified, high-quality products.
- We offer competitive prices.
- We have a comprehensive inventory management system for all your bulk bag needs.
- We can warehouse up to 6 months of your required stock, reducing lead times and helping with your cash flow.
- Your business will be allocated an account manager who can be contacted anytime via phone, email, or a scheduled personal visit.
- We are committed to providing excellent service.

"Experience the power of flexibility, strength, and cost-effectiveness! We are committed to providing you with top-notch products."
